It is almost time for my high school years to come to an end.

A drastic change is going to come about before it will be expected.

The time is now for me to accept my responsibilities as an adult and begin my life in the "real" world.

Friends and the joys we have shared will stay a part of me always.

A drastic change is going to come about before it will be expected.

My memories of these past few years will be engraved in my mind for as long as I may live.

Friends and the joys we have shared will stay a part of me always.

The role I will be taking in society will be one that reflects my educational background and how well I developed the skills I learned in high school.

My memories of these past few years will be engraved in my mind for as long as I may live.

Days of the future cannot live up to thoughts of days gone by.

Years will not be able to erase the sweet melody of all the enjoyment I have experienced to Oceana High.

Days of the future cannot live up to thoughts of days gone by.

— Melinda Adkins
Senior, 86-87

Being
a student
here at Oceana High has been
the most
rewarding experience of
my life. I will carve
every memory of
these times into
my heart, where they shall
remain
throughout all eternity.

"GRADUATION"

The time is drawing near,
the time we all say we don't fear.
When really deep in our heart,
tears are putting out a little spark.
We all leave family and friends
here,
promising to come back within a
year.

And when we all gather together
again

I think we will all agree
These were truly the best four
years!

— David Shadrick

CLASS OF 1987 BENEDICTION

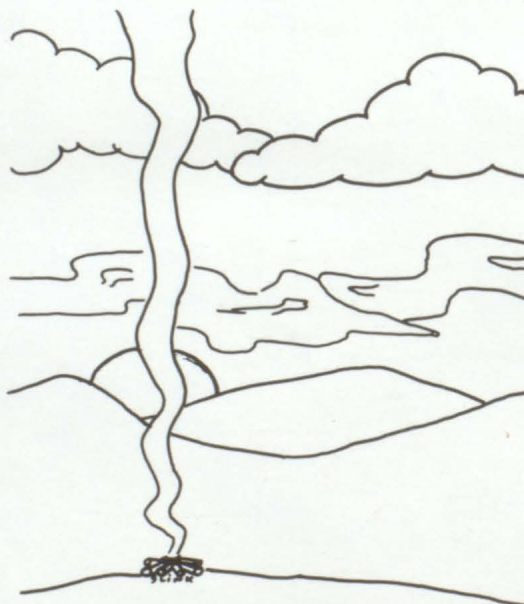

Our Heavenly Father,

As we conclude our final moments here at O.H.S., we would just like to thank you for such a great school and for all the fond memories we will always cherish about it. Thank you for all the caring, hardworking, and dedicated faculty that have carried us through these past four years. We will never forget the special friends you have given to us, and thank you for them, because life without friends would be meaningless. Father, protect us as we venture into the real world and help us never to leave your loving arms. For those empty places that will be felt after we leave our family and friends we ask that you would fill them with your glorifying presence.

As we close we would just like to thank you one last time for the Class of 1987 and for a school that we can always be proud of and a school where our hearts will always be true. Help us never to forget, that if it were not for your Son who left the glory and riches of heaven to suffer and die for our sins, that none of this would be possible today. We love you Father.

We pray this last prayer in the name of the one who gave his life, so that we may have life and live more abundantly that we pray this prayer.
Amen.

— Tim Brown

"TO MY FRIENDS"

I will miss you all,
And all the memories we had,
We had such a ball,
Even though a lot of times we got mad.

In times of trouble you were there,
Even though you were about to pull out my hair.

To you Cheryl, Lora, and Mert don't
get too wild and act like an old flirt.
For without friends like you
I would sit around and go boo hoo.

In times of trouble you were there,
Even though you were about to pull out my hair.

To you Tammy, Renee, and Rae,
While I'm gone you'll be gone too.
I know it doesn't rhyme,
But I'm running out of time.

In times of trouble you were there,
Even though you were about to pull out my hair.

To all the rest I didn't get to say about,
Don't pout I didn't leave you out.
Because ALL of you are the best.
See it even rhymed with all the Rest.
— Sherri Morgan
Senior at O.H.S.

My Senior Year . . .

. . . has been filled with
happy times and warm
thoughts.

. . . gave me wonderful
friends to share my
emotions with.

. . . rewarded me greatly.

. . . will come to a
screeching halt very soon.

. . . enriched my life by
giving me some of the
fondest memories I could
ever imagine having.

. . . caused me to become a
more responsible student.

. . . held everything a
school year should to make
it a year of learning and
enjoyment.

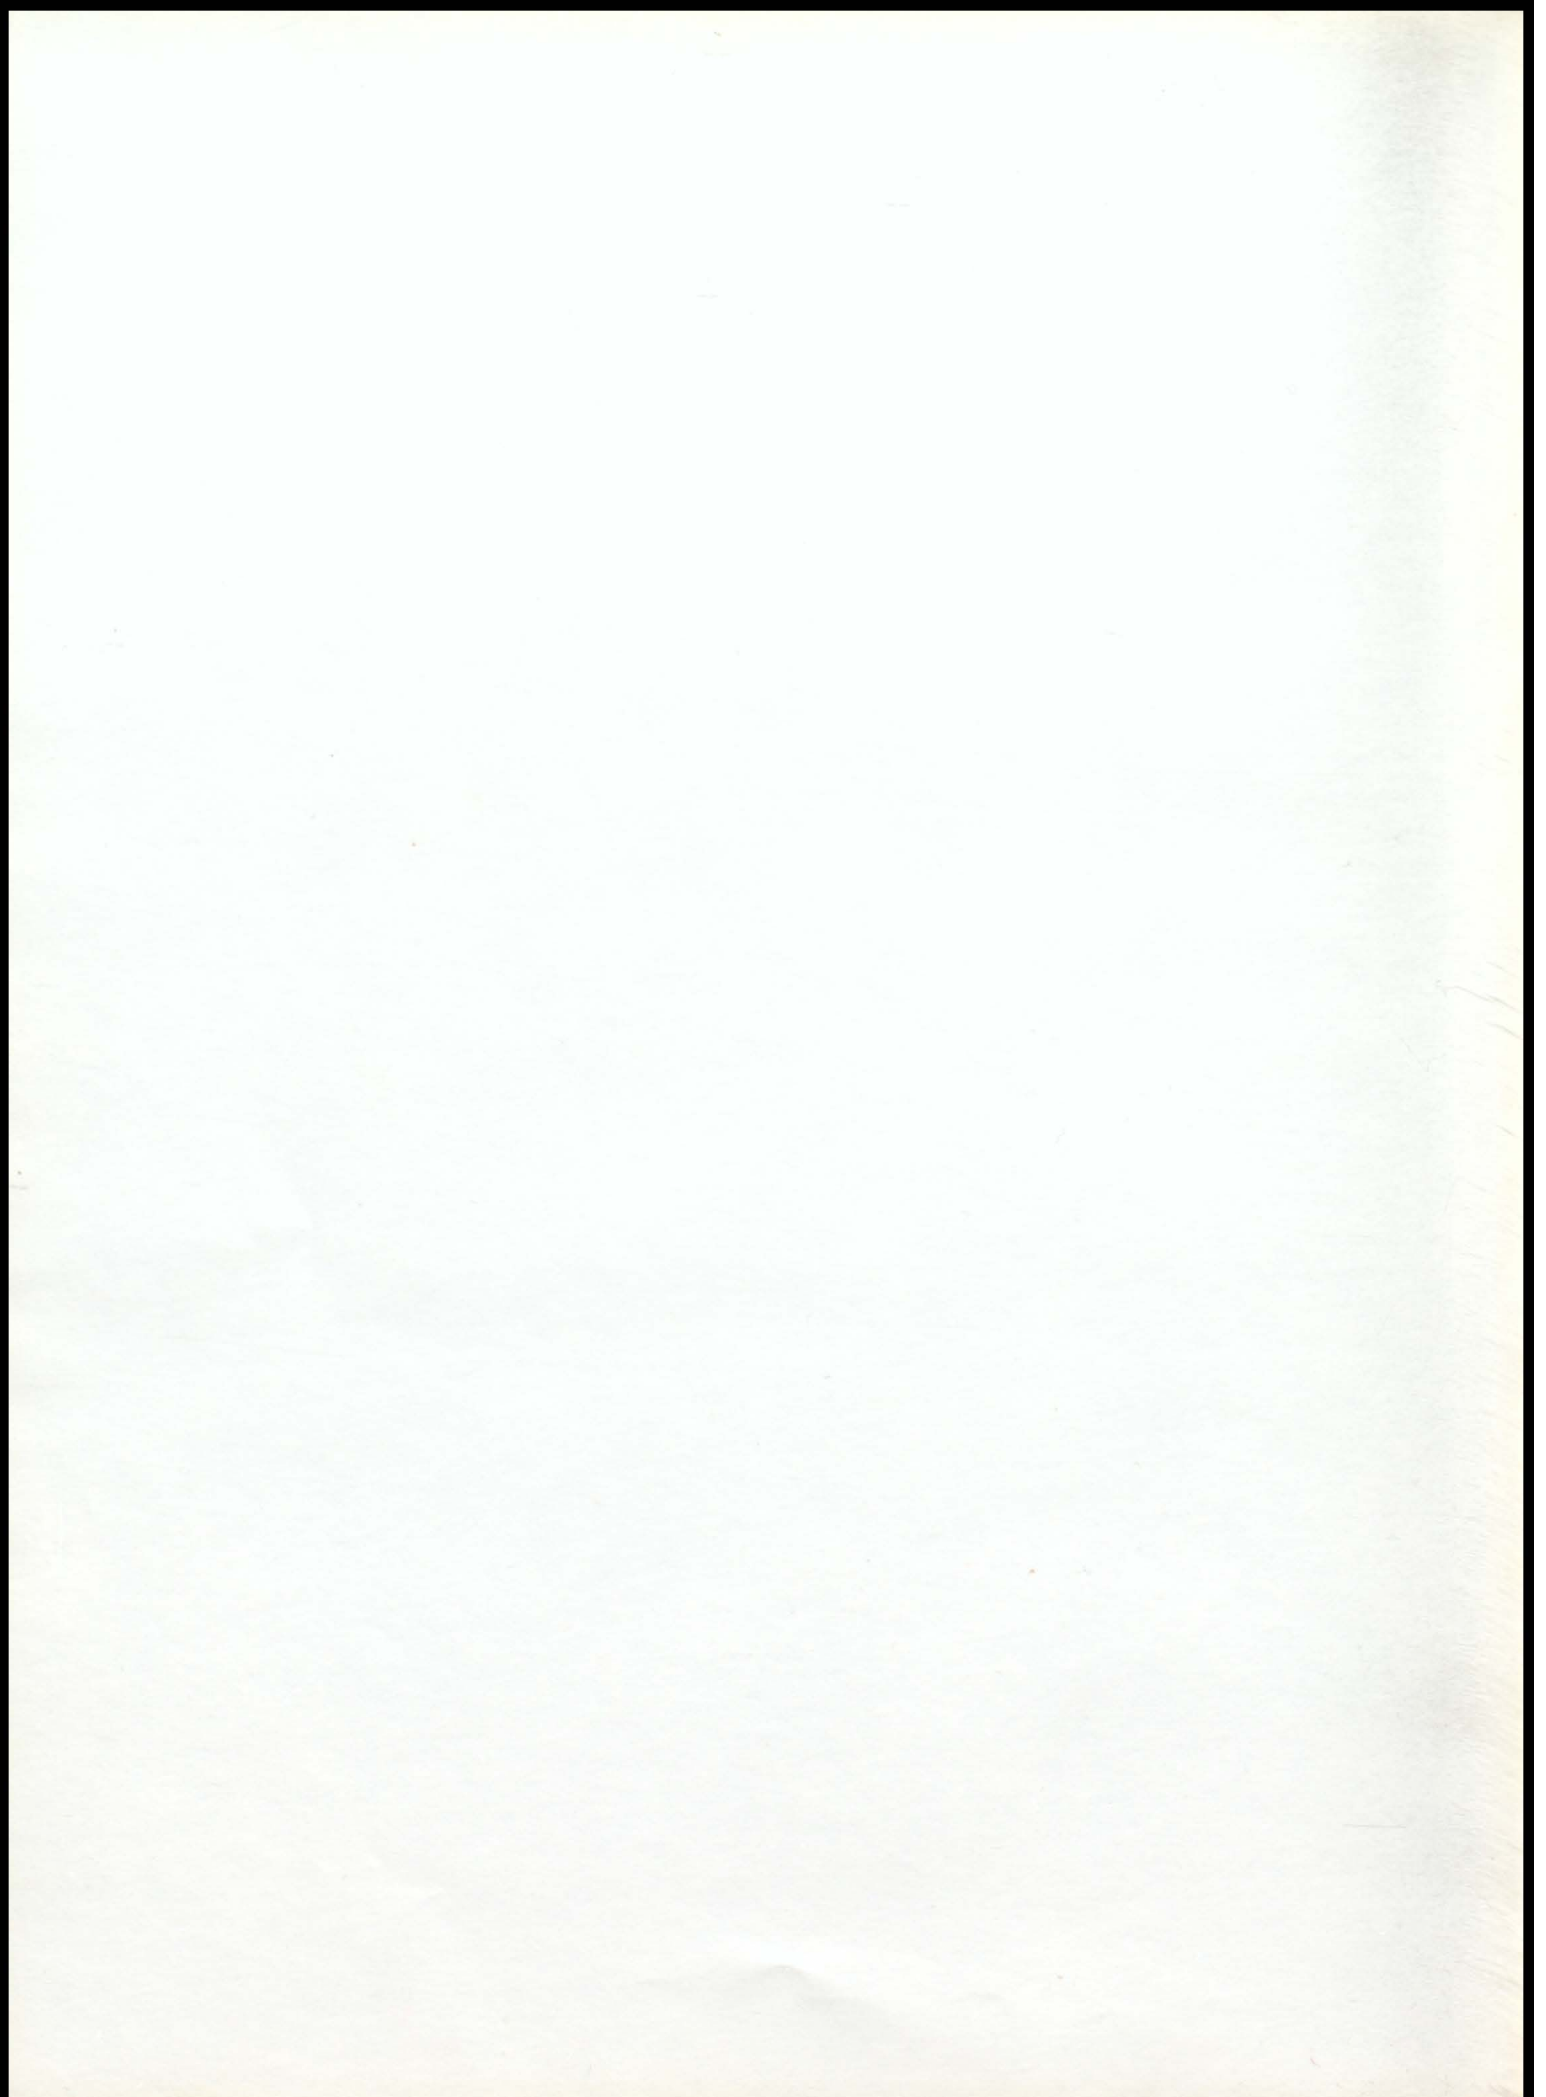

. . . came in as any other
year, but is ending as the
most exhilarating
experience I have ever
come in contact with.

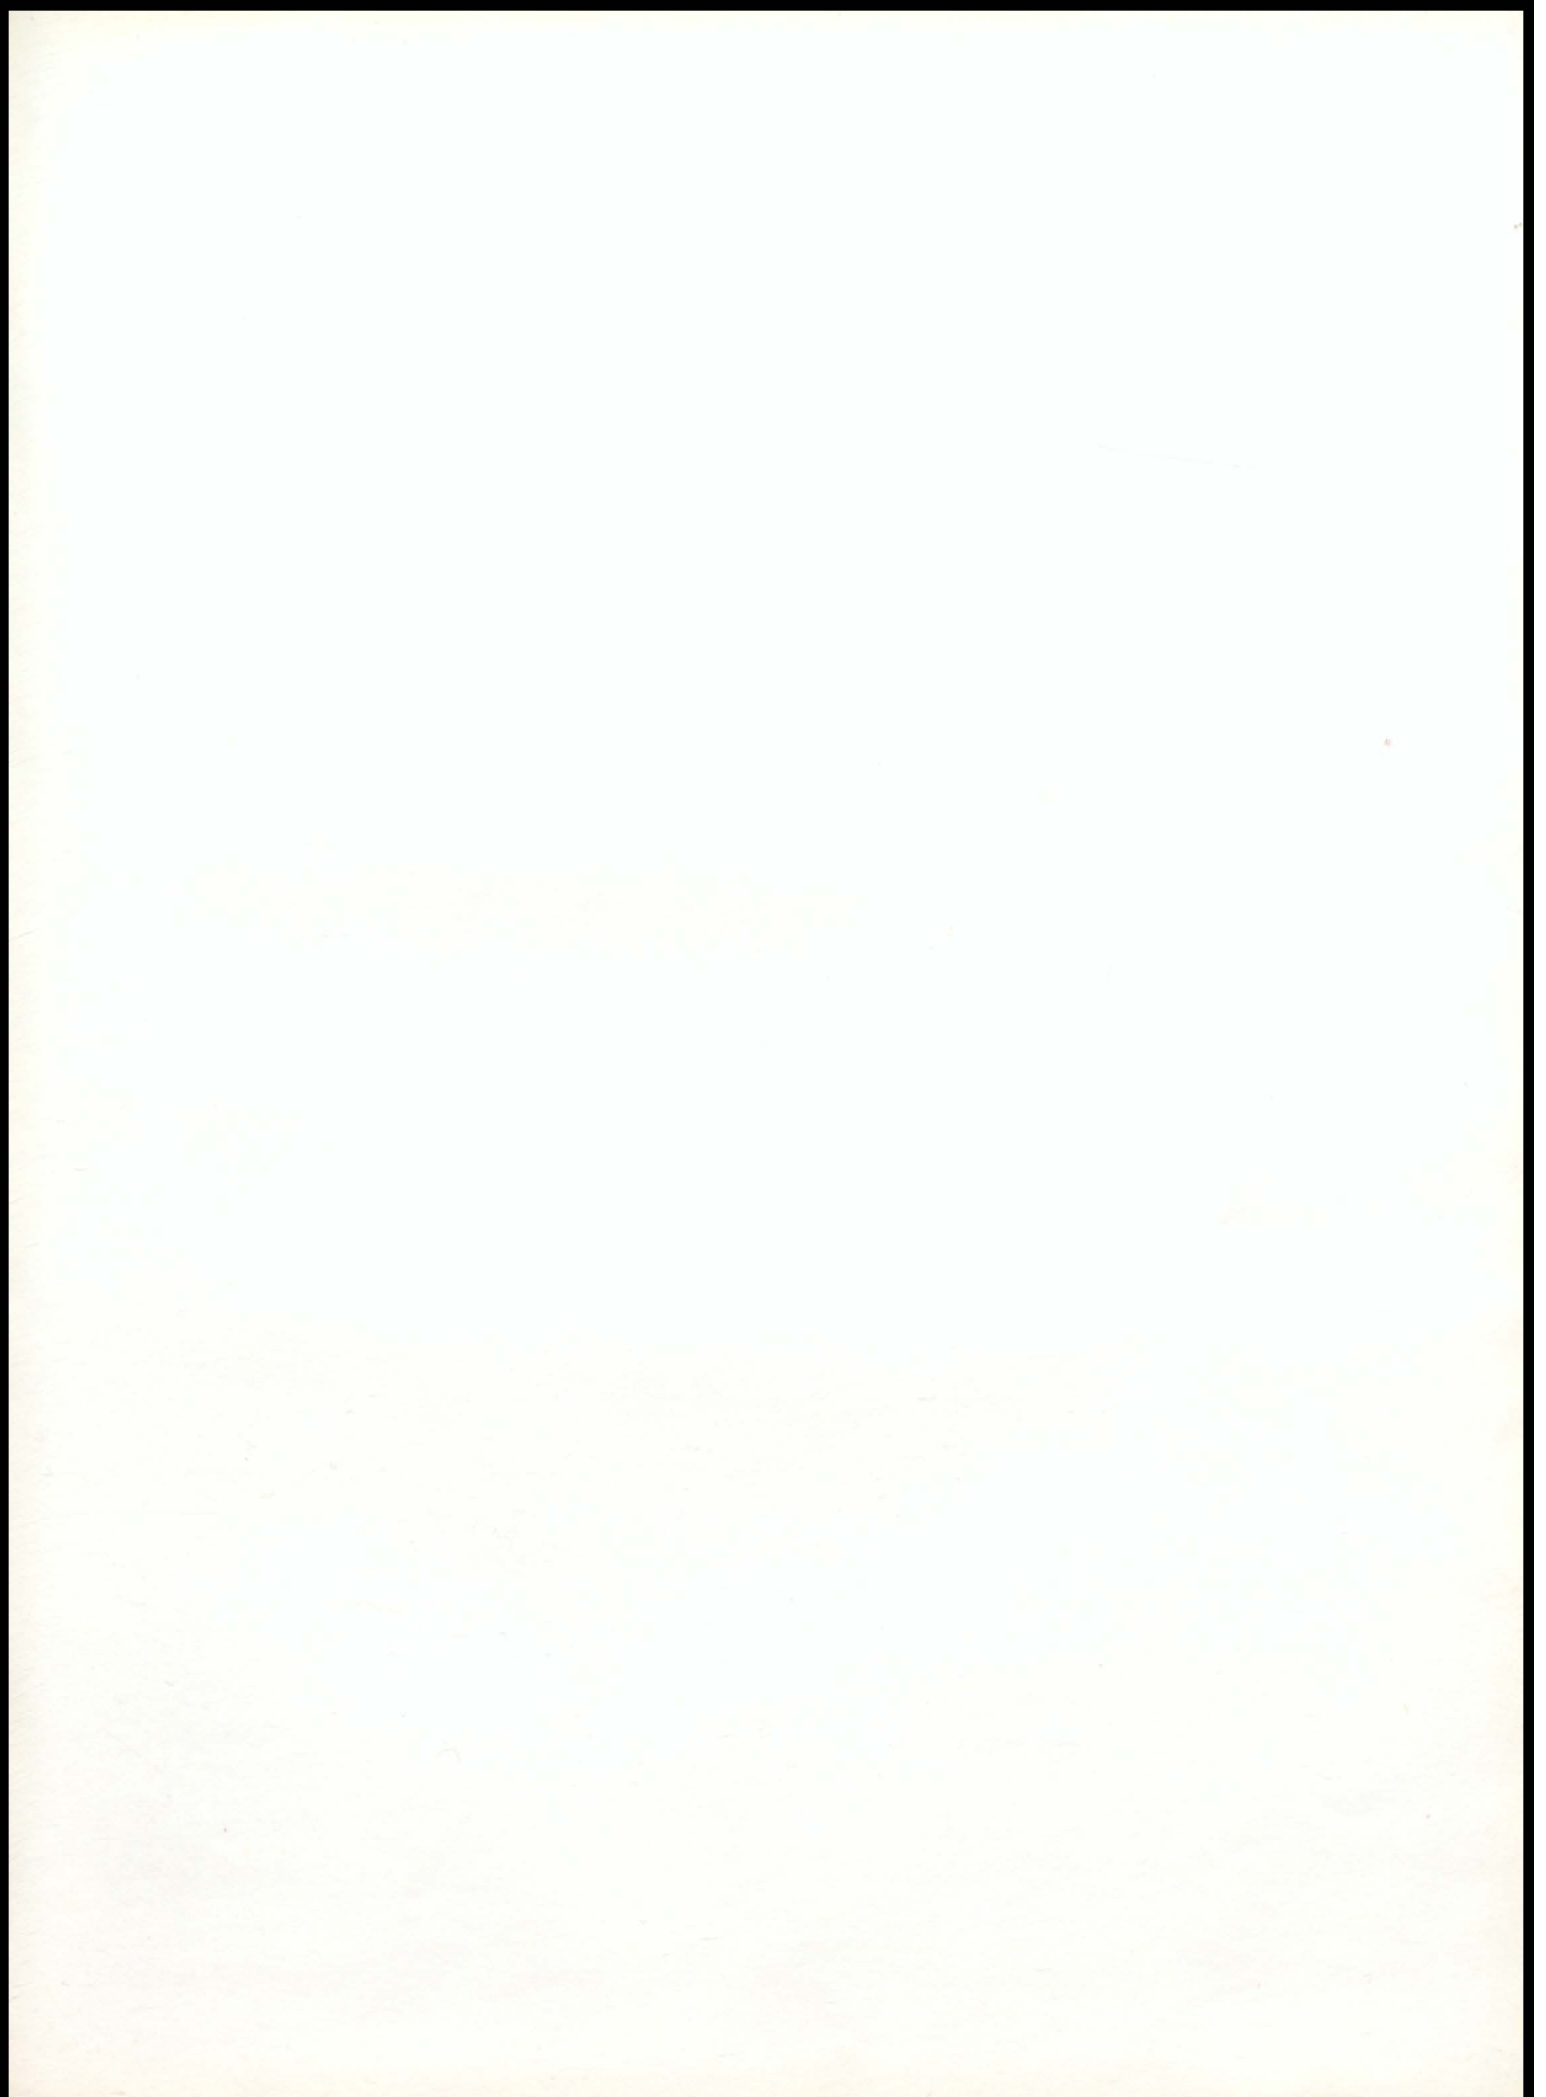

. . . never ceased to amaze
me with all its joys, as well
as its heartbreaks.

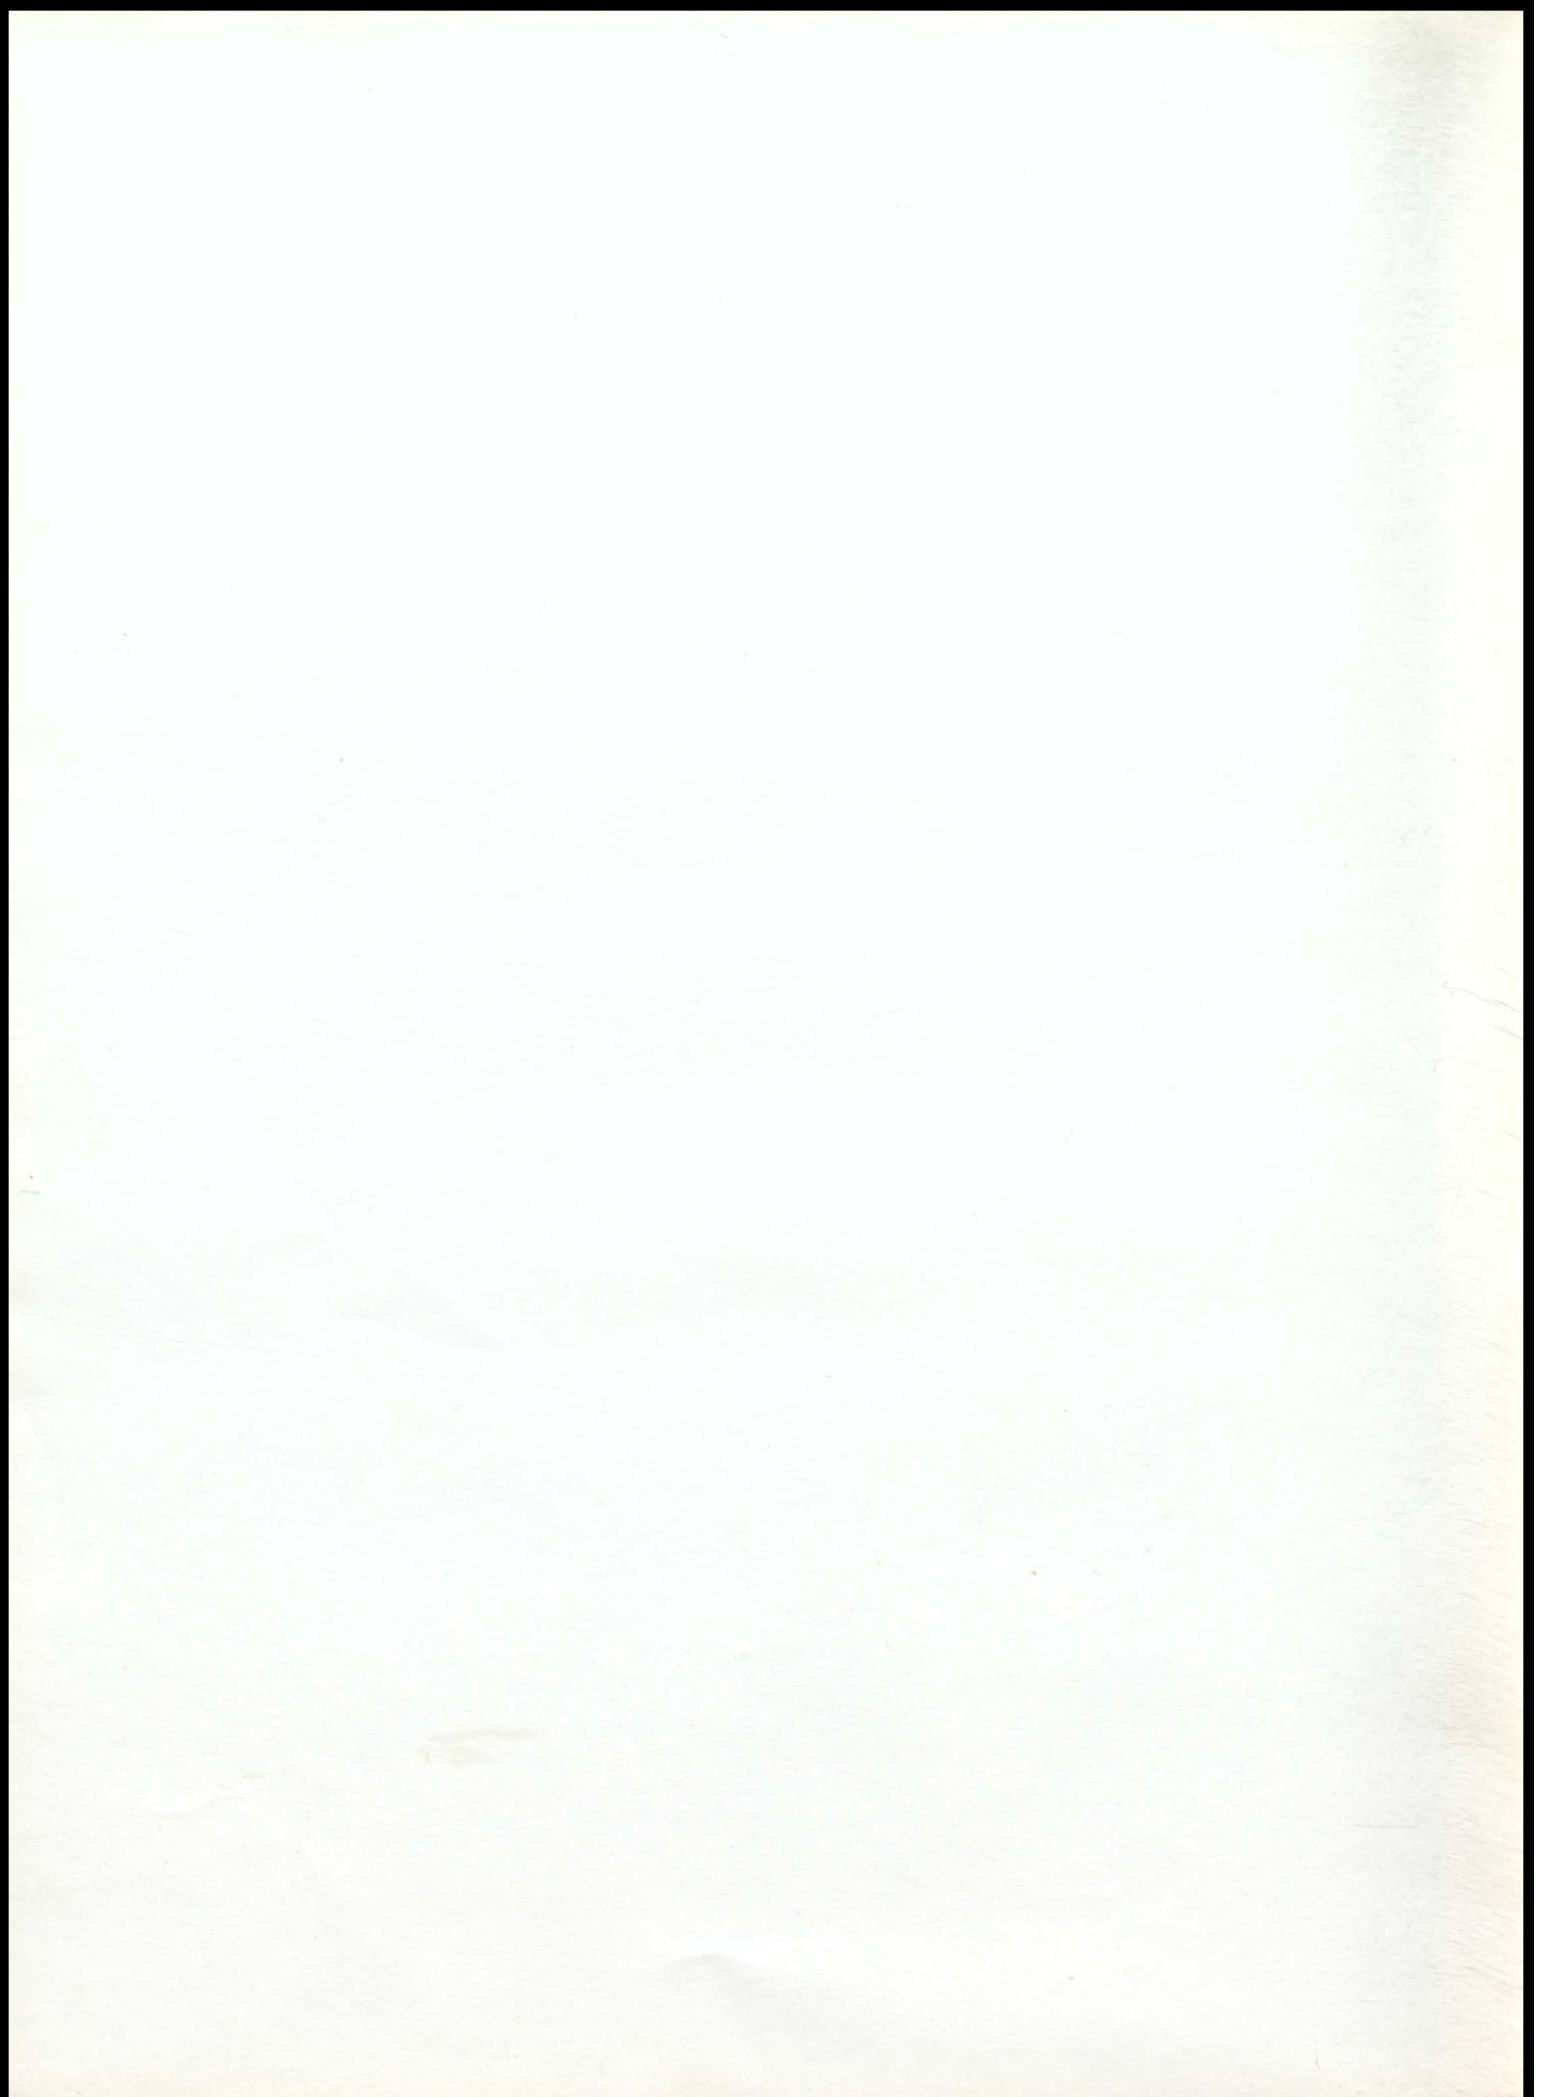

. . . will forever remain a
treasure that no man can
rob me of.
